

Did you know that 1 adjustment can **BOOST** your immune system up to 200%? Check out below why you are so smart to have your workforce under consistent Chiropractic Care.

***Spanish Flu 1918: 675,000 American deaths in 12 months:**

Care Type	Primary Medical	Chiropractic
Cases of Flu reported in Iowa	93,590	4,735
Total Fatalities	6,116	6
% of people that died	6.7% (1 of 15)	0.13% (1 of 789)

***Of 10,000 Total Cases of Flu reported in NY:**

Care Type	Primary Medical	Chiropractic
Total Fatalities	950 (of 10,000 cases)	25 (of 10,000 cases)
% of people that died	9.5% (1 of 11)	0.25% (1 of 400)

***Of 10,000 Pneumonia Cases:**

Care Type	Primary Medical	Chiropractic
Total Fatalities	6,400	100
% of people that died	64% (1 of 1.56)	1% (1 of 100)

***National figures show that 1,142 Chiropractors treated 46,394 patients for influenza during 1918 with a loss of only 54 patients (of the 675,000 total deaths).**

Chiropractic adjustments increase the function of the immune system and make you better suited to fight off viral invaders. Make sure your workforce is getting adjusted so that you all can live your life without fear of a bug.

Health always comes from within you!
